

## Charity Trustees

**(2 - 3 hours per week, mainly working from home)**

The Bridport Area Development Trust (BADT) is about to enter a new era with 2 major projects nearing completion. The Trust is looking to recruit new Trustees to support new projects that will benefit Bridport and the local community. We are brainstorming potential new projects, involving external organisations, local people and carrying out funding analyses with a view to producing feasibility studies on the most promising ideas.

BADT is looking for individuals with experience of one of the following areas plus the requisite skills and abilities:

### **Fundraising – Social Media/Marketing – IT & Technical Support – Legal**

- The ability to think strategically, focusing on major issues, while recognising the realities and practicalities of operational management in a voluntary organisation
- Effective networking skills in a range of contexts and situations
- Developed inter-personal, communication and advocacy skills
- A readiness and ability to take on the leadership and delivery of agreed projects and particular areas of activity
- An ability to command respect amongst stakeholders and decision-makers in the public and private sectors

Trustees act as BADT's governing body and are legally responsible for directing its affairs, ensuring it is solvent, well run, and delivering its charitable objectives. Trustees are unpaid; but reasonable expenses will be reimbursed.

**This is a rewarding, challenging and enjoyable opportunity to get involved and have an important role in shaping the future of BADT and the Bridport area.**

BADT is a registered charity and company limited by guarantee established in 2009 and currently run by a team of 7 experienced and highly motivated Trustees, working in partnership to identify, plan and deliver regenerative projects that meet local need and provide long term economic, educational and community benefit to the local area with the key criteria for support being that of sustainability.

**If you are interested becoming a Trustee and finding out more about BADT then please telephone 07810 708591 or email [mail@bridportadt.org.uk](mailto:mail@bridportadt.org.uk) and we will arrange for you to speak directly to one of our Trustees.**
